- Comprehensive range of furniture that combines high-tech craftsmanship with sustainable product design
- Recycled plastic frame as the fundamental design element
- Moulded beech or oak from national, sustainable PEFC-certified forestry
- Stackable, light and filigree without losing stability
- Slightly bevelled front seat edge for exceptional comfort
- Well thought through to the end of the product's life cycle: materials can be separated and sorted and are completely recyclable
- Suitable for a variety of possible uses in offices and public spaces, e.g. cafeterias, restaurants and health care facilities
- Matching tables, benches, bar stools and stools complete the product range
