

brunner ::

ray lounge

For increased relaxation.

ray lounge

- This lounge easy chair rounds off the ray family
- For use in the homely, but also elegant ambience, such as representative lounge and waiting areas or in casual co-working spaces as well as exclusive individual offices
- Compact easy chairs create space for private discussions in business environments and lounge areas
- Generously sized high back chairs (optionally available with a thicker neck cushion) with matching ottomans are ideal for use in comfortable discussion rooms, in quiet areas and in elegant private offices
- The specially shaped, 3-dimensional seat shell and lumbar support ensure exceptional comfort when sitting
- Large variety of cover fabrics as well as optional two-tone upholstery
- With rotating column and optional automatic return-mechanism, puristic sled frame or cozy wooden frame
- The wooden frame made of solid oak sets homely accents and expands the range of applications
