

brunner ::

foild

**Unfolds new
possibilities.**

foild

- Extendible room divider for flexible use of space
- Light and home-like look: high-quality textiles combined with slender aluminium bars
- Can be positioned free-standing in a room, in a straight or curved arrangement in two heights
- The scissor system allows flexible roll-out of the length and space-saving storage
- Streamlined design: plug connectors allow tool-free mounting and demounting
- All materials used can be sorted by component type and recycled
- For use in changing working environments, open-plan spaces, lounge and waiting areas and other public spaces
