options and accessories

- edge beech stained according to beech standard range, satin lacquered
- edge oak stained according to oak standard range, matt lacquered (with oak veneer)
- frame coated in selected colours
- connecting fixture one side (EHV1)
- connecting fixture two sides (EHV1)
- linking device for tables (TV1) for rectangular and semicircle tables, front-mounted
- linking device for tables (TV3) for connecting rectangular tables on the short side (TV cannot be combined with EHV1) (not available for table length 170 cm, 180 cm, 200 cm), front-mounted
- linking device for tables (TV3E) for connecting rectangular tables of the lengths 170, 180, 200 cm and tables with inset legs, front-mounted
- modesty panel fixture
- reinforcement bars required up from a table length of 180 cm in combination with beech or oak veneer
- angle gliders with plastic tube cover felt (123) as tube ends
- metal tube ends closed seamlessly with basic gliders plastic (101)
- metal tube ends closed seamlessly with basic gliders felt (103)
- metal tube ends closed seamlessly with adjustable gliders plastic (120)
- metal tube ends closed seamlessly with adjustable gliders felt (121)

colours

Coating hues frame

- black similar to RAL 9005 FS matt
- aluminium silver similar to RAL 9006 F

- stain colours according to Brunner standard range
