**The functional folding  
table featuring many  
intelligent details.**

# basic V

- V-shaped table legs made from super elliptic shaped, tapered to the legs' end steel tube
- Innovative STS stability system for maximum stability
- Proven, low-noise folding mechanism
- Long-lasting Air Protect edge (APK)
- Maximum legroom thanks to tiltable, lateral pivot bearing with stacking buffers
- High-quality table top surface
- For the use in event, seminar and training rooms
