# fina fold

**Little table, reveal yourself.**

# fina fold

- Mobile nesting table that has joined the fina conference and fina flex series
- Single-column table (up to and including 1 m depth)
- Two-column table (from 1 m depth) with intelligent gas pressure spring for easier handling and keeping the table securely vertical
- New, flat foot extension with matching design for space-saving stacking
- Sturdy, tried and tested folding mechanism makes the table easy to use and handle
- Large, adjustable casters for a steady footing and for bridging over minor surface floor unevennesses
- High-quality table top models, similar to the fina conference series
- Table top surface in HPL, beech, walnut or oak veneer
- With new, swivelling mesh modesty panel
